## WORK EXPERIENCE

---

**Treeroot Informatics** – Ahmedabad, Gujarat, India

January 2023 – April 2024

### Front End Developer

- Worked closely with a team of 8 developers to deliver high-quality front-end features for projects, utilizing React and Next.js to build responsive and interactive user interfaces.
- Leveraged libraries such as Material-UI and React Hook Form to streamline UI components, improve form handling, and enhance the overall user experience.
- Actively contributed to efficient project management by using Jira for task tracking and communication, ensuring alignment and progress within the team.
- Followed version control best practices using Git, ensuring seamless collaboration, clear commit history, and reliable code integration across the team.

**Sharpeners Tech** - Bangalore, Karnataka, India

January 2022 – January 2023

### Student

- Acquired proficiency in HTML, JavaScript, CSS, React, Material-UI, Redux, and Firebase during a hands-on work focused on front-end development technologies.
- Mentored 8+ aspiring developers, offering guidance and support to accelerate their skill development.
- Completed diverse self-learning projects, showcasing practical skills and a commitment to improvement.

**Econstruct Design and Build Pvt. Ltd.** - Bangalore, Karnataka, India

June 2019 – January 2022

### Structural Design Engineer

- Applied structural analysis and design software to ensure accuracy and compliance with industry standards.
- Played a key role in the design process, contributing to the structural engineering of both superstructure and substructure for various building projects.
- Demonstrated expertise in structural analysis and design software, ensuring accuracy and compliance with industry standards.

Swapnil Katiyar

- Collaborated with architects and construction teams to optimize designs for efficiency and cost-effectiveness, resulting in successful project outcomes.

## EDUCATION

---

**ABES Engineering College** – *Ghaziabad, Uttar Pradesh, India*

Bachelor of Technology – Civil Engineering, June 2018

## PROFILES

---

[LinkedIn](#) • [GitHub](#) • [Leetcode](#)

## LANGUAGE COMPETENCIES

---

- Hindi: Native language
- English: Fluent (speaking, reading, writing)
